

NINTENDO 3DS™

THINK OUTSIDE THE BOX... AGAIN.

It's time to think outside the box once again. Our boxy hero, Qbby, has a new power that lets him create TWO sets of boxes. He'll put every box to use to survive perilous traps across more than 120 puzzling levels. Learn new tricks and box formations to get past obstacles like switches, spikes, and even lasers! If you've played the critically-acclaimed first game, *BOXBOY!*, every costume earned can be carried over into *BOXBOXBOY!*

FEATURES:

- Put every box to use to beat more than 120 new levels in this boxy sequel.
- Take medals, earned by completing stages, to the in-game shop to acquire new costumes like the Robo-Suit, read humorous comics, or listen to the tunes of *BOXBOXBOY!*
- If you've played the critically-acclaimed first game, *BOXBOY!*, you can unlock many of those costumes too, because every costume earned in *BOXBOY!* can be carried over into *BOXBOXBOY!*
- Use Qbby's new power to create two sets of boxes.
- Discover new ways to use boxes to your advantage to get past obstacles.
